Confidence
and
Commitment*

Employees need **clarity** around what is changing and what is **not changing**.

EMPLOYEE QUESTION

WHY IT MATTERS

What exactly is changing?

Reduces confusion

What is staying the same?

Creates stability

When is this happening?

Helps people prepare

What do I need to do differently?

Connects change to behavior

Who can answer my questions?

Creates support

How will success be measured?

Helps employees focus

One of the biggest sources of workplace stress
is not change itself.

IT IS UNCLEAR CHANGE.
